

Becoming FHEA and MBCS

08/09/2013

I have become a Fellow of the Higher Education Academy and a Member of the British Computer Society (2013). A good colleague recommended me to the BCS, as I have more than 5 years experience in an ICT profession. The FHEA is in recognition of completing the Post Graduate Certificate in Learning and Teaching in Higher Education (PG Cert). I'm thrilled to have added these two professional associations to my CV.

This adds to the MA in Learning and Teaching in Higher Education, which I believe compliments my MSc in Multimedia Systems well.
